3.1.2 When the District makes a change in a particular job description, a copy of the new job description shall be provided to the Association and to the affected employee and the employee's supervisor within thirty (30) days after the change.

3.1.3 The District shall provide the Association notice of a change in a job description and the opportunity to bargain any change in wage rate. If the Association does not request the opportunity to bargain within ten (10) days of the date of the notice, the Association will have waived its right to bargain any change of wage due to the new job description.

3.1.4 Prior to the District posting a position within this bargaining unit, a copy of the position and job description shall be forwarded to the Association President.

Should the position inadvertently be posted publicly without first being sent to the Association President, upon request the posting shall be placed on hold until such time the Association and HR can meet to review and reach consensus on the posting.

SECTION 3.2 - WORK HOURS/OVERTIME

3.2 - WORK HOURS/OVERTIME

Work Day, Week & Year: The regular work week shall consist of forty (40) hours and shall be five (5) consecutive days, within a Monday through Sunday calendar week. The regular work year shall consist of 260 workdays. The District will notify employees by September 1 each year if the annual District work year calendar exceeds two hundred sixty (260) work days. Each employee shall take any day(s) off without pay above the standard 260 day work year, providing the employee has received prior approval, and will input the day(s) as non-work day(s) in the absence reporting system. Eight (8) hours shall constitute a day's work to be completed within eight and one-half (8-1/2) consecutive hours. All employees shall be allowed one-half (1/2) hour duty-free lunch. The District retains the right to assign work within a forty (40) hour work week to best meet District needs. Each employee will be assigned a fixed work schedule for the work week. Provided, the work schedule may be changed with two (2) weeks prior notice, except in the case of emergency, where no notice will be required. With two (2) weeks prior notice, the District may make temporary changes in the employee's assigned work schedule in order to complete specific work assignments/projects without disruption of the student/teacher workday. Employees will schedule days off (without pay) at time(s) mutually agreeable with their supervisor.

3.2.1 Overtime: Any and all hours worked in excess of eight (8) hours per day or exceeding forty (40) hours per week shall be paid one and one-half (1 ½) times the employee's regular hourly rate. Overtime hours will be authorized by the employee's supervisor or designee whenever possible. In an emergency situation, the employee will use their best professional judgment and will work to the extent the emergency requires.

Any services required on Saturday or Sunday or over the regular assigned work day/week shall be paid at one and one-half (1 ½) times the employee's regular hourly rate.

3.2.1.1 Overtime shall be assigned from an overtime list created in the following manner. Employees desiring overtime shall sign the standing overtime list indicating their availability for overtime. The list shall be segregated into Maintenance I and Maintenance II employees.

The list shall then be arranged by seniority. Employees shall be chosen on a rotational basis, the most senior to the least senior. In cases where no employee is available from the overtime list, the first available employee shall be subject to call back to perform the work.

3.2.1.2 Compensatory Time In Lieu of Overtime: Employees, if they exceed an 8-hour day or forty (40) hour week may request, in lieu of the automatic payment of overtime, to take leave with pay for one hour and a

half (1.5) for each hour over the 8 hours worked or forty (40) hour week. The request must be made in advance or immediately following the work day that the excess hour's threshold was exceeded. Requests must be made on the appropriate District form submitted to the Director of Maintenance and Operations or designee and must include the dates/times being requested, who will notify the employee if the leave is approved. If the leave is not approved, or if not used by August 31 of each year, the employee shall document the time as overtime on the employee's time record and receive pay at the overtime rate.

3.2.2 Emergency Call Back for Security or Maintenance: Any employee assigned to the emergency call back phone for security or maintenance is expected to respond to all emergencies within twenty (20) minutes. Employees will conduct building checks that are appropriate to the specific call back situation. Appropriate heating, electrical, water and other systems will be visually inspected to determine if any additional issues are evident, and to ensure the building is locked and secure from entry. Employees, once deemed qualified, will have the authority to diagnose, resolve and act in emergency situations, when prior approval cannot be obtained from the Director of Maintenance or his/her designee. These hours shall be assigned on a rotating seniority basis, from most senior to least senior. Duties shall consist of seven (7) consecutive days of carrying the designated emergency phone. Regardless of the number of calls during the seven (7) days assigned employees shall receive nine (9) hours at their overtime rate, one (1) hour for each work day and two (2) hours for Saturday and Sunday. Holidays which occur during the seven (7) days will be at double time. During the work week, the first call back on any one day will result in the one (1) hour stated above and an additional two (2) hours of overtime. On Saturday and Sunday, the first call back will result in the two (2) hours, stated above plus two (2) additional hours of overtime. Any additional call back will result in a minimum of two (2) additional hours of overtime. On holidays, the above is at double the holiday rate of pay.

3.2.3 Call Out - Call Back: Each call out and/or call back order by an employee's supervisor/designated callback employee shall be paid at the rate of one and one-half (1 ½) times the employee's hourly rate. Call out or call back hours shall be assigned based on skill level needed, at assigned schools if appropriate, to perform the work. If skill level to perform the work is not required or there is more than one qualified employee, call out or call back hours shall be assigned on a seniority basis in a rotation from most senior to least senior. An employee shall be paid a minimum of two (2) hours for each call out and/or call back, and if worked over two (2) hours, the employee shall be paid one and one-half (1 ½) times the employee's hourly rate for actual hours worked. A call out/call back shall be defined as work ordered by employee's supervisor to remedy problems discovered during a security check, or other problems occurring outside the normal workday. In the event an employee is called in two (2) hours or less prior to his/her regular shift, he/she shall be allowed to complete his/her regular shift in addition to the time worked preceding his/her regular shift.

3.2.4 Rest/Meal Periods:

Rest Periods

During each four (4) hours of an employee's work day, the employee is entitled to one (1) fifteen (15) minute rest period. Employees whose work shift begins by or before 6:00 am are entitled to one (1) 30-minute rest period. Rest periods will be taken as near the middle of the work shift as possible or as prearranged with the Director of Maintenance & Operations or designee and may be taken near the job site. Travel time for work purposes is not part of the rest period. If an employee is not at the Maintenance Department during their rest period, a district vehicle may be used for travel near the job site. A district vehicle shall not be used to travel to and from a non-commercial site or for personal business.

Lunch Meal Periods

There shall be a thirty (30) minute duty free lunch period. The lunch period shall be taken as close to the middle of the scheduled workday as possible, but no later than the start of the fifth consecutive hour of work from the start of the workday.

Lunch Periods taken at the Maintenance Department

Five (5) minute travel time to and five (5) minutes travel from the Maintenance Department shall not be considered a part of the duty free thirty (30) minute lunch period. A district vehicle may not be used during the thirty (30) minute duty free lunch period. However, a district vehicle may be used to obtain lunch when traveling from the jobsite to the shop, provided a district vehicle shall not be used to travel to and from a non-commercial site or for personal business.

Lunch Periods taken at or near Job Site

A district vehicle may be used to travel near the job site during the thirty (30) minute duty free lunch period. Travel time to and from the job site for work purposes shall not be considered a part of the duty free thirty (30) minute lunch period. A district vehicle shall not be used to travel to and from a non-commercial site or for personal business.

Rest periods and meal periods shall not be skipped in order to allow the employee to leave the job site prior to the regular close of the work shift.

3.2.5 The District shall provide adequate rest areas, lounges, and restrooms for employee use. Employees shall have access to these facilities and shall be issued keys if necessary.

SECTION 3.3 - SENIORITY

3.3.1 No employee shall acquire seniority until he has become a regular employee. A regular employee is one who has completed one (1) year of service with the Employer since his first (1st) day of employment within the bargaining unit. A list of Maintenance employees arranged in the order of their seniority shall be given to the Association upon request by the Association by November 1, of each school year. Should more than one (1) employee have the same hire date; the involved employees will draw straws to determine position on the seniority list. Any controversy over the

seniority standing of any employee on this list shall be handled as a grievance for settlement.

3.3.2 The seniority of an employee shall be considered broken, all rights forfeited, and there is no obligation under this Agreement to rehire when the employee:

- 3.3.2.1** voluntarily leaves the service of the Employer;
 - 3.3.2.2** is discharged for just cause;
 - 3.3.2.3** leaves the bargaining unit to accept a position with the Employer outside the bargaining unit;
 - 3.3.2.4** failure of an employee to return to work upon recall from an indefinite lay-off within seven (7) calendar days after receipt of written notice from the Employer at his last known address appearing on the Employer's records.
- 3.3.3** There shall be no deduction from continuous service for any time lost which does not constitute a break in service as set forth herein.

SECTION 3.4 - LAYOFF

Layoff shall be by classification. Classifications for Maintenance employees are as classified in accordance with Appendix A., subject to the limitation that the employee is qualified to perform the work. In reducing the personnel because of lack of work or other legitimate reason, the last employee hired in the classification where the layoff is occurring shall be the first (1st) employee laid off in the classification. If the layoff occurs, the affected employee, if qualified, will be allowed to bump into the next lower classification.

In those layoff situations, where the least senior employee bumps to a lower classification, the employee shall be paid at their current wage rate. The affected employee will not be entitled to any subsequent wage increase until the lower classification wage rate meets or exceeds the employee's wage rate. The affected employee would also have first bid back rights should the employee's previous position be reinstated.

SECTION 3.5 - RECALL

Employees laid off will be retained in a recall pool for a period of twenty-four (24) consecutive calendar months. The last employee placed in the recall pool by layoff shall be the first employee rehired, provided that such employee is qualified to perform the duties of the position.

SECTION 3.6 - POSTINGS/PROMOTION/DEMOTION/TRANSFER

3.6.1 The term "posting" shall mean the advertisement of an open job within the Maintenance bargaining unit as new positions, position vacated due promotion, demotion, termination, and/or retirement.

- 3.6.1.1** Notices of opening(s) in classifications covered by the Maintenance Agreement shall be posted on the District webpage, emailed to all employees, including all Association officers. The notices on the webpage will contain a description of the job, the qualifications,

wage rates, and hours of work. Notices of openings shall be posted for ten (10) working days. Any reduction in the number of days an opening is posted must be made by mutual agreement with the Association and the Human Resources Director.

3.6.1.2 A maintenance employee who desires to apply for openings shall submit an application using the District Online Application process prior to the posted deadline.

3.6.1.3 All vacancies shall be filled on the basis of qualifications for the classification. When District needs require identification of a specific journey level skill set, the District shall identify the preferred skill set on the job posting based on the job descriptions for maintenance positions. The qualifications of each candidate will be evaluated and assessments made in the areas of work experience, training, evaluations and/or recommendations, and physical qualifications appropriate to the vacancy. All positions the District intends to fill shall be filled within thirty (30) calendar days of the posting. 6.1.3.7 Test results will be stored at the Personnel Office in a secure file outside the regular personnel files. Access to the file will be extremely restricted--only the Superintendent, Assistant Superintendent and Human Resource Director will have access. All records will be treated in the most confidential fashion by the District and the Association. Disclosures, without employee consent, may occur when:

- a) The information is compelled by law or judicial or administrative process.
- b) The information has been placed at issue in a formal dispute

between the Employer and the prospective employee.

- c) The information is needed by medical personnel for the diagnosis or treatment of a patient who is unable to authorize disclosure.

6.1.3.8 All costs associated with substance abuse testing, other than an independent analysis requested by the employee, will be paid by the Employer.

6.1.3.9 Should analysis of the specimens indicate a negative level of a substance in an employee's system, the employee will be reinstated to his/her former position.

6.1.3.10 Should analysis of the specimens indicate a positive level of a substance in an employee's system, the District will have the following options:

- a) Discharge the employee; or
- b) Provide the employee an opportunity to enter into a Last Chance Agreement. Included in the Last Chance Agreement, the employee will be evaluated by a qualified drug/alcohol counselor to determine the extent of his/her chemical dependency. If, in the opinion of the counselor, the employee requires rehabilitation services, the employee will be placed on a non-paid leave-of-absence for a period not to exceed ninety (90) days and enroll and complete a certified alcohol and/or drug rehabilitation program. An employee may use accumulated sick leave or vacation during this ninety (90) day period. If the employee successfully enrolls and completes the program within ninety (90) days, the employee will be reinstated to the employee's former position. The District reserves the right of concurrence on the selection of the rehabilitation counselor, facility and program content. Cost of the rehabilitation program will be paid by the employee or medical insurance provider (within contractual limitation). The employee will submit semi-weekly written progress reports from his/her counselor during the entire treatment program. The employee will be reinstated to his/her former position when the following conditions have been met:
 - i. The employee has successfully completed the treatment program; and
 - ii. The attending counselor has formally released the employee to return to work; and
 - iii. The employee agrees to submit to a substance abuse test.

During the next twelve (12) months following reinstatement, the employee consents to be tested for the presence of alcohol, drugs, and/or controlled substances at any time, with or without cause. Any subsequent violation of this Agreement will be grounds for immediate discharge.

6.1.4 Self-Recognized Substance Abuse: Employees with a substance abuse problem must immediately notify their supervisor of their condition. For evaluation purposes, a substance abuse test may be appropriate. If, in the opinion of a qualified drug alcohol counselor, the employee requires rehabilitation services, the employee will

have an option to enroll in a rehabilitation program and be subjected to the guidelines as outlined in Section 6.1.3.10 above. Any employee who complies with the above requirements prior to a violation of this policy shall be immediately granted leave without pay in accordance with Section 6.1.3.10 (b) above.

6.1.5 Pre-Employment Substance Abuse Testing: Job announcements will advise job applicants that a pre-employment substance abuse screening policy exists. The parties agree that pre-employment substance abuse testing is a District prerogative and may be performed in any manner as determined by the District.

6.1.6 Employer Conducted Searches: The District reserves the right to conduct searches of District property, vehicles or equipment at any time or place. Failure to cooperate with these procedures, without just cause, will be grounds for discharge.

6.3.2.3 Prior to imposing discipline, the employee's immediate supervisor will meet with the employee to determine if the problem can be solved. If the problem has not been solved, a written notice of the discipline shall be made to the employee, with a copy to the Association President, within five (5) days of the meeting. This notice shall specify the grounds which form the basis for disciplinary action.

6.3.2.4 Discipline, as used in this Agreement, shall mean verbal reprimand, written reprimand, suspension with pay, suspension without pay, demotion, or

discharge. The District agrees to follow a course of progressive discipline in order to give the employee an opportunity to correct actions which the Employer deems to be inappropriate. Any disciplinary action taken against an employee shall be appropriate to the behavior which precipitates said action. A copy of such written warning notice shall be sent to the Association at the time it is given to the employee.

6.3.2.5 Some charges of a serious nature may require omitting some progressive disciplinary steps.

6.3.2.6 Any complaint made against an employee by any parent, student or other person, that is not provided to the employee by mail within ten (10) days after the District has knowledge of the complaint, may not be used as a basis for any disciplinary action against the employee. Any material not shown to an employee within ten (10) days after knowledge by the District shall not be the basis for any disciplinary action against such employee nor shall it be used as evidence in any grievance.

6.4.4 After three (3) years, an employee may have derogatory material expunged from the employee's file, provided that similar misconduct has not taken place within such three (3) years. In the event similar misconduct has occurred, all reports of similar misconduct will remain in the employee's file for three (3) years from the date of the latest incident giving rise to the derogatory material being placed in the employee's file. APPENDIX C What Does “Just Cause” Mean?

The concept of “just cause, referenced in § 4.4, requires that there be fundamental fairness in decisions related to the discipline and discharge of employees. Arbitrators often turn to the seven tests of just cause, generally phrased as follows:

1. **Notice:** Did the District give the employee forewarning of the possible consequences of the employee’s conduct?
2. **Reasonable Rule or Order:** Is the District’s rule, or the supervisor’s order reasonable for the orderly, efficient or safe operation of the District?
3. **Investigation:** Prior to discipline, did the District make an effort to determine if the employee violated or disobeyed the rule or order?
4. **Fair Investigation:** Was the investigation conducted fairly and objectively?
5. **Proof:** Did the person making the decision about the employee’s conduct obtain sufficient evidence to substantiate the decision?
6. **Equal Treatment:** Has the District applied its rules and penalties even-handedly?
7. **Penalty:** Was the discipline reasonably related to the seriousness of the offense and the employee’s past record?

These tests are printed here for the education of employees and supervisors, and not as a limitation on the rights of the Association, District or employees in any particular case.
